# THE BERKSHIRE TRAILER CENTRE

Supplying trailers from Britain's leading manufacturer

Renowned the world over for reliability,  
durability and flexibility

**SALES • SERVICE • GENUINE PARTS**

## HBX

## HB

Check out our stock of Horse boxes

## GH

**series plant trailers**

Available with internal lengths from 6ft to 14ft, these trailers feature a 24mm resin coated plywood platform suitable for carrying rollers as well as excavators.

## LM

**series flatbed trailers**

This range of trailers offers platform lengths from the 8ft LM85 up to the 20ft LM208. All are built around a welded steel galvanised chassis with bolt-on taper drawbars. Tri-axle options are available on the larger trailers.

**Log Splitter**

25t splitting ram powered by an on-board petrol engine. Horizontal or vertical splitting. Capacity of up to 600mm length.

Mzuri **iPass** designed to offer high output, efficient low disturbance seeding direct into stubble, cover crops and also cultivated ground.

The **Rehab** is a specially designed low surface disturbance subsoiler for both arable and grassland applications.

The **Ri DS series** - a heavy duty double skin flail mower for tractors up to 140hp. Adj rear roller and hyd side shift fitted as standard.

*Leave something to be proud of.  
That's the Mzuri philosophy*
